

Priyansh Nautiyal

ABOUT ME

High school student graduating in 2027 interested in Mechanical engineering, with hands-on experience in competitive Science Olympiad events. I enjoy solving complex problems, creating solutions, and applying concepts from physics and mathematics in real-world scenarios.

EDUCATION

SOUTH WINDSOR HIGH SCHOOL -

Expected Graduation: 2027

Weighted GPA: 4.29

RELEVANT COURSEWORK

Engineering I, AP Computer Science A, AP Pre-Calculus, Honors Physics, Honors Chemistry

TECHNICAL SKILLS

CAD

Fusion 360
Autodesk Maya

PROGRAMMING

Java

ENGINEERING

Design process, prototyping, problem-solving

DATA & ANALYSIS

Measurement, documentation, experimental reasoning

AWARDS

1ST PLACE CT STATES HOVERCRAFT

earned 1st place at Science Olympiad CT States

1ST PLACE BROWN UNIVERSITY HOVERCRAFT

earned 1st place at the Science Olympiad Brown University invitational

6TH PLACE SCIENCE OLYMPIAD HOVERCRAFT

earned 6th place at the Science Olympiad CRI invitational

EXPERIENCE

SCIENCE OLYMPIAD - TEAM COMPETITOR

Ongoing

- Designed and optimized hovercrafts using the engineering design process
- Used Fusion 360 to create components for stability and performance
- Competed in testing and lab events in chemistry lab, materials science in nano-tech, and circuit lab

HONORS/ACTIVITIES

MU ALPHA THETA

- Science Olympiad volunteer at SWHS Science Olympiad
- Volunteer at the elementary school for Math nights

SCIENCE NATIONAL HONORS SOCIETY

- Invention Convention - Volunteer judge
- Science Olympiad B Div States - Volunteer

STUDENTS OF STEM

- Engineering Lead
